To Whom It May Concern,

The Fremont Union High School District (FUHSD) approved International Tamil Academy (ITA) credits to be placed on the Fremont Union High School District in 2003 through the FUHSD Community Language School Partners agreement. Courses are approved to be placed on the transcript that are taken after the first day of enrollment in Fremont Union High School District and only for students with prior authorization through the Outside Credit Request process. The Outside Credit Request process should be initiated through the student's School Counselor prior to the start of the course.

Up to ten credits will be accepted for placement annually onto the FUHSD transcript through level four of Tamil language taught at ITA. Credits will be placed on the FUHSD transcript to satisfy elective credits for high school graduation requirements. With the credits being placed on the FUHSD transcript, the University of California recognizes these courses as receiving "principal's validation"* and satisfying the Language Other Than English course requirements for "Area E" in the A to G requirements.

Sincerely,

Dr. Trudy Gross
Associate Superintendent
Fremont Union High School District

*This validation is subject to change should the University of California change their policies on accepting "principal validation" language credits, which is independent of FUHSD approving ITA Tamil credits as elective credits for high school graduation.
