Greetings,

This letter is to inform you that the International Tamil Academy has been accepted in our list of approved schools and academies that offer select courses of study.

Milpitas High School students who complete language classes from the International Tamil Academy are eligible to request that the classes be added to their Milpitas High School transcript. The classes must be taken while the student is in high school, we will not accept courses that were completed in middle school. In order for the class(es) to be added to the Milpitas High School transcript an official transcript from the International Tamil Academy must be submitted to their Milpitas High School counselor.
