RE: High School Credit for Tamil

---

Dear Ms. Kailasam,

McLean County Unit District No. 5 recognizes AKTP, an affiliate of the International Tamil Academy, as a world language school operating in Bloomington, Illinois. Students who complete Level 1 of Tamil at the AKTP language school at the conclusion of 8th grade are eligible to receive one high school elective credit in Unit 5. High school students who complete Level 1-4 of Tamil are eligible to receive high school elective credit in Unit 5. In order to receive the elective credit, families of students completing Level 1-4 of Tamil will need to contact the Registrar at the high school their child attends and provide evidence of completion from the AKTP language school.

Sincerely,

Dan Lambolely  
Director of Secondary Education
